Cool Tools!

Part 1

Look at each item from the *Cool Tools Catalog*. Was it designed for people who can't see or for people who can't hear? Mark your answer.

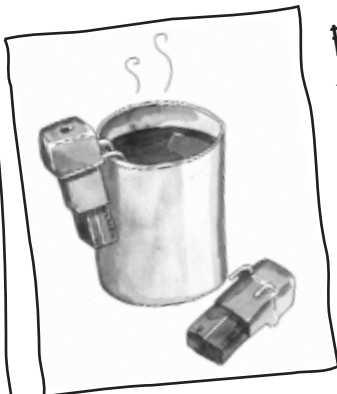

COOL TOOLS CATALOG

Shake-Me-Awake Alarm Clock

Place this alarm clock under your pillow. It will vibrate to wake you.

- Someone who can't see
- Someone who can't hear

Fill-It-Up-Gadget

Put this on the rim of your cup. It beeps when the cup is almost full.

- Someone who can't see
- Someone who can't hear

COOL TOOLS 2

Part 2

Invent your own cool tools! How would you make...

- a doorbell that will alert someone who can't hear?
- picture book for a child who can't see?
- board game that everyone can play?

Draw and write your answers on a separate piece of paper.

HINT:
Think of all the
senses people
can use.
