

# Jimaya Toss

You be the coach! Diagram your own play and see if your team can do the Jimaya Toss!

## Diagram Your Play:

- 1 Put Xs around the inside of the circle where you want kids on your team to stand.
- 2 Write a kid's initials next to each X.
- 3 Draw an arrow from your X to the player you want to pass to. Put a 1 next to it.
- 4 Now draw an arrow from that player's X to the player you want to catch the ball next. Put a 2 next to it.
- 5 Continue until every player has a chance to catch and toss the ball.
- 6 Share your diagram with your team. When you think every player understands it, start tossing!
