

Daisy's Garden

Would you like to help Daisy select plants for her garden?

TALLY HO! LET'S HAVE FUN!

1. First, print the big picture showing Daisy's garden.
2. Then print and cut out the pictures of Nature Cat, Hal, Daisy and Squeeks and the pictures of the different flowers, vegetables and insects.
3. Arrange your cut outs on the garden picture just the way you like it. Then use glue or tape to attach your cut outs to the garden.
