

# Maya's Scene

MAYA

(sympathetic)

Tito, I know it's hard hanging out with bigger kids so much, but I think you just need a little more confidence.

TITO

If only I could be like Miguel.  
(great imitation of Miguel's voice)  
Hey my man! ¿Qué pasa?...

MAYA

(laughs)

That's pretty good!  
(hair ornaments aglow)  
¡Eso es, Tito!  
(off his look)

You can be like Miguel! You already do his voice. So just look at the way he does things and do the same. Maybe that will help you feel more confident.  
They both look toward Miguel--

TITO'S POV - ON MIGUEL, who makes a muscle while a few girls look on. He MORPHS into a bodybuilder, with rippling forearms.

Maya looks skeptical.

HER POV - MIGUEL making his muscle. We can't see any difference flexing or not flexing.

Tito starts to get inspired -- we see his eyes get wider and wider, along with his smile.

Tito

¡Sí! ¡Que buena idea, Maya!  
¡Gracias!

He flips down like a circus performer.

MAYA

No problem, Tito, that's what I'm here... for... She trails off as she sees that she's alone atop the jungle gym. She

looks around, gets a little momentary  
vertigo.

MAYA

Whoooa! Hey! Tito!? How do I get down from here!?
