

# TiTo's Scene

INT. SCHOOL BUS - THE NEXT DAY

The bus doors OPEN, and we watch as a flashily-sneakered foot steps onto the step.

WE PAN UP to see that it's Tito, dressed exactly like Miguel, swinging a lunch box in one hand and a knapsack in the other. He confidently greets everyone he passes... of course, in Tito's slightly accented English.

Tito

How you doing?... What is up? Looking good... Yes, I am onto the new hair...

Everyone's mouths are hanging open. Tito struts up to Miguel's seat. Theo sits next to him. Maya and Maggie sit behind them.

Tito

Hey, Theo, my man! You are on my seat!

Theo

(laughing)

You know, I think I am. I wouldn't want to break up a matched set.

Tito sits down next to Miguel.

Tito

Hey, Miguel, my man. What's up?

Miguel just looks at him, horrified. Tito slaps him on the back. Maya puts her face in her hands.

Maya

<LAUGHTER>

We can see that kids around them are starting to notice Tito's very good imitation of Miguel, who's turning red.

MIGUEL

(tense)

Hey, Tito, uh...what's all this?

Maya has her face in her hands.

TITO

Ask Maya, my man. Fué su idea.

Miguel glowers back at Maya. She smiles weakly, shrugging her shoulders with her hands in the air.

MIGUEL

I should've known.
